Angelica Henry Design

DISTINCTION: Angelica Henry Design is an award-winning full-service design firm specializing in all facets of residential design. Creating sophisticated, memorable, inspiring designs that speak to each and every client is our passion. Our extensive portfolio showcases everything from ultra-Modern to Arizona Ranch and has been featured in *The Wall Street Journal*, *The New York Times*, *The Robb Report*, *Luxury Living* and numerous local publications.

FOCUS: Through striking and client-focused designs that enhance everyday living, we make your home refreshingly yours.

SERVICES: We offer comprehensive design services that can be tailored to suit new construction, full or partial remodels, or furnishing a newly purchased home. Integrity, trust and communication are key factors in working with the homeowner and

entire design team, while considering aesthetics, lifestyle, budget and timeline. We consider ourselves an advocate for the homeowner from the day the project starts through its completion.
